

## Meetings, presentations and seminars

Our function room, Goldings can comfortably seat up to 40 people for presentations. For alternative lay-outs, please see below. This area is self-contained and there is no need to visit the bar if you don't wish to.

All room hire charges include sweets, mints, pens, paper and water jugs for the tables

A separate smaller function area, Fuggles, can be used as a breakout space or to serve refreshments from – this is not completely private as it is next to the bars, but can be a useful space.

You will find our function menus included in this pack, please use these as the basis for your lunch requirements – we are always happy to discuss any changes you may want and suggest that you use the menus as a starting point. Vegan, vegetarian, gluten-free and other dietary requirements can be catered for. Unfortunately, we cannot accommodate self-catering functions

We can provide breakfasts if required, including full English, sausage or bacon baguette, or continental plate—ask for further details.

We pride ourselves on being friendly and flexible and can usually adapt to accommodate any individual requirements – if there is anything you would like to discuss, please contact us to talk it through.

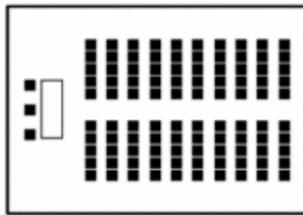

Goldings is accessible for wheelchair users, as access from the car-park, the room and toilets are on the same level. There is one step up to Fuggles and three step steps up to the bar area.

With orchards, Perry Wood and numerous public footpaths on our doorstep, why not arrange a walk or team-bonding session to break up the day – your delegates will return from an hour or so in the fresh air of our beautiful countryside refreshed and ready to finish the more formal aspects of your meeting
